

Solio Rocsta Top Cover Disassembly

In this guide, we will show you how to take off the top cover of your Solio Rocsta to get access to internal components.

Written By: David Vazquez

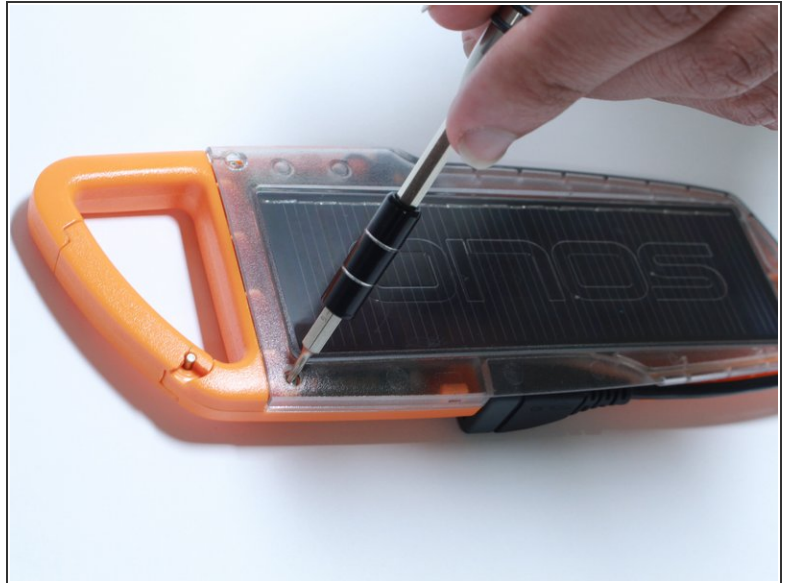

TOOLS:

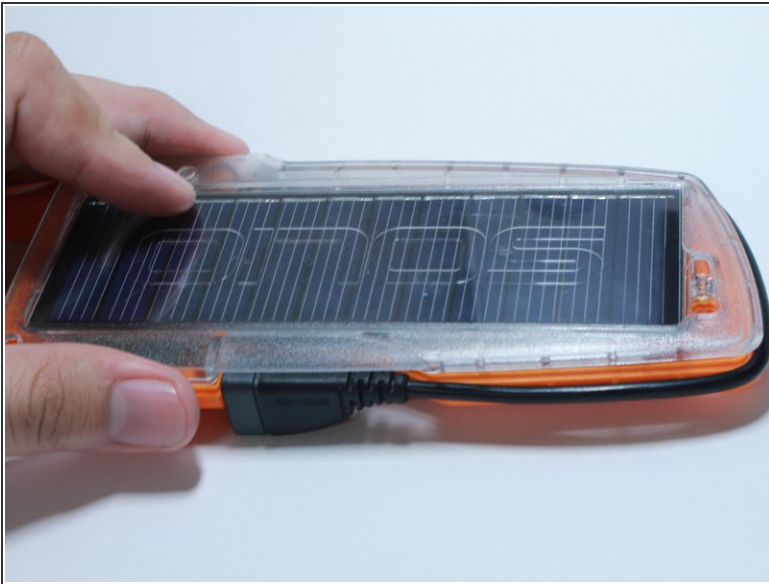

- [T6 Torx Screwdriver](#) (1)
- [iFixit Opening Tools](#) (1)
- [Spudger](#) (1)

Step 1 — Solio Rocsta Top Cover Disassembly

- Locate, and unscrew, the three 5.72 mm screws that hold down the top cover using the T6 Torx screwdriver.

Step 2

- Remove top cover.

⚠ Caution: the solar cell is attached to the top cover and connected to the circuit board by a short wire .

To reassemble your device, follow these instructions in reverse order.
