INTRODUCTION

This guide will walk you through the step by step process of removing and reinstalling the disc drive in your HP-BA078DX
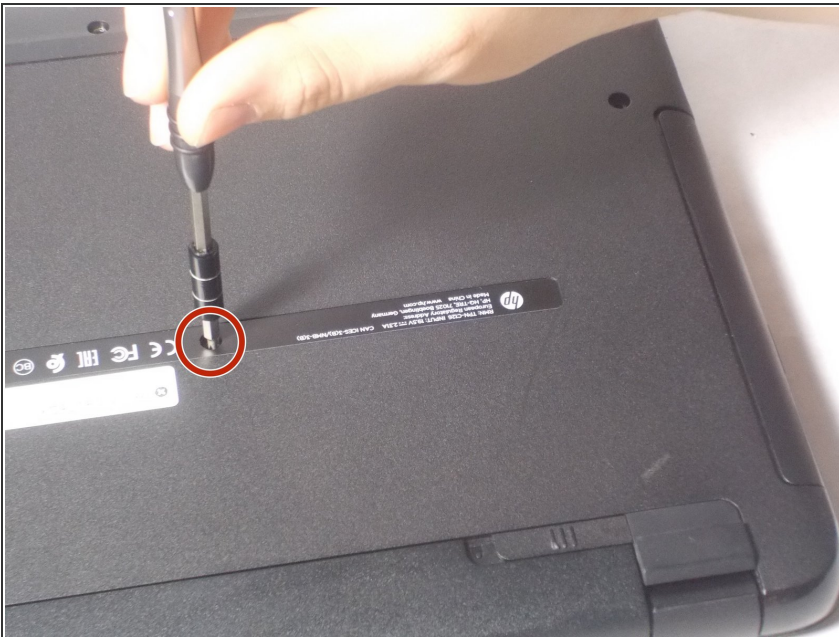

🔧 TOOLS:

- Phillips #0 Screwdriver (1)
- iFixit Opening Tools (1)

This document was generated on 2020-11-28 06:41:14 AM (MST).

Step 1 — Battery

- Unclip the two latches on the bottom of the laptop.

- Slide the battery straight out while holding the clip open.

Step 2 — Disc Drive

- Using the Phillips #0 screwdriver, remove the 7.5mm screw from the underside of the plastic frame that holds the disc tray in place.

This document was generated on 2020-11-28 06:41:14 AM (MST).

Step 3

- Remove the disk tray assembly by sliding it out from the side using the blue plastic opening tool.

To reassemble your device, follow these instructions in reverse order.
