# INTRODUCTION

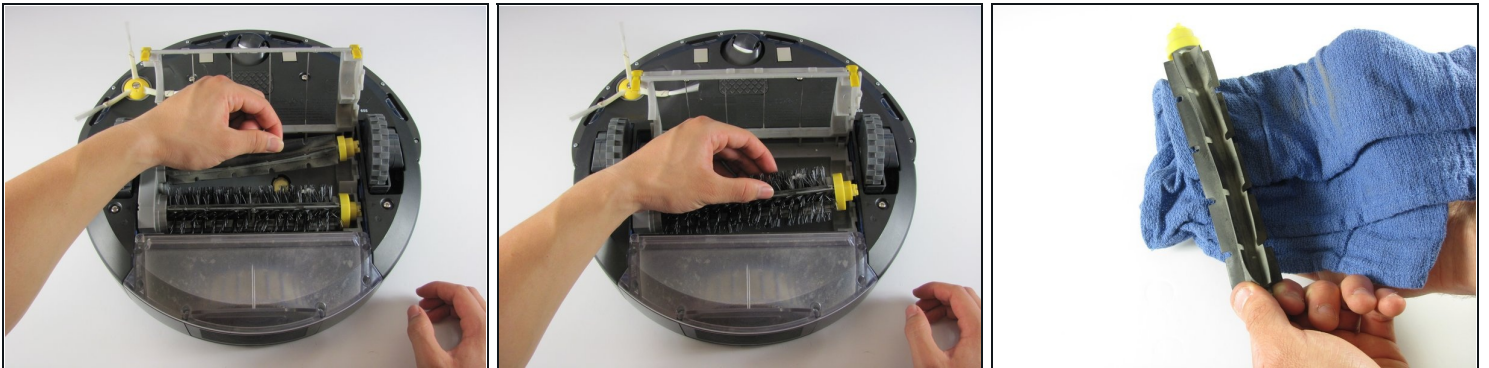

It is recommended to clean your Roomba every week (depending on how often you use it).

## Step 1 — How to remove and clean iRobot Roomba 655 Pet Series brushes

- Push down on the two yellow tabs, and pull open the brush gate gently

## Step 2 — Removing The Brushes

- Grab and pull up on the brushes to remove them
- Use a damp [microfiber](#) or terry cloth to clean the rubber brush

### Step 3 — Cleaning the Bristle Brush

- Use the included hair cutter to cut through hair that has gotten caught in the brush
  - Slide the brush cleaner down and back up until your brush is clean
- 

To reassemble your device, follow these instructions in reverse order.
