INTRODUCTION

Use this guide to remove and replace your battery on your Asus UX50V-RX05 Laptop.

This document was generated on 2020-11-18 07:39:26 AM (MST).

Step 1 — Battery

- Slide the tabs forward, away from the battery, so that the red line is showing underneath.
- Make sure device is powered down before beginning.

Step 2

- Use the spudger tool to pry the battery upward until it pops out of its slot.
- Remove the battery.

To reassemble your device, follow these instructions in reverse order.
